More than a stain remover!

World's Most Versatile Cleaning Solution™

Just one bottle, a thousand solutions. Strong as a solvent, yet gentle as soap. Advanced stain fighting multi-cleaner. Gentle on skin. Concentrated for easy dilution. Low VOC.

Remarkable degreaser for equipment maintenance at land, sea and air operational facilities, non-hazardous

to people, animals & plants. Use manually or with power cleaning equipment. Converts oil-based messes to simple clean-up with water. Multi-cleaning applications too numerous to list, ranging from active duty situations (machinery maintenance, canvas surfaces, smoke residue, engine compartments, etc) to domestic situations (carpet, upholstery, fabrics, food stains, blood, scuff marks, fingerprints, correction fluid, etc). 1000+ Stain Remover is

non-corrosive, biodegradable eco-preferable to older solvents. Non-flammable. Cost efficient full-strength or diluted as needed.

Does Not Contain

NPE
Phosphates
Nitrates
Enzymes
Chlorine
